Creating Your Own Life

A focused exploration of six foundational Pathwork lectures

Dates: July 8, 15 & 22
August 5, 12, 19

Time: 5 pm—6:30 pm,
US Pacific

Where: Zoom

Cost: \$30

This series offers practical insight, honest self-exploration, and a supportive space to deepen your understanding of how you actively participate in the life you are living—and the life you want to create. Each session will unpack a different aspect of inner development—from self-responsibility and the creative process of consciousness to the dismantling of illusions and the emergence of genuine self-direction.
